Oasis

## [Verse]

G            D  
Maybe I don't really want to know  
          Am  
How your garden grows  
  C            D  
As I just want to fly  
G            D  
Lately did you ever feel the pain  
          Am  
In the morning rain  
  C            D  
As it soaks you to the bone

## [Chorus]

Em            D  
Maybe I just want to fly

Wanna live, I don't want to die

Maybe I just don't believe

You and I, we're gonna live forever
