**C** **Em**  
I keep trying, nothing's working

I still wanna know, who's taking you home

Don't care that someone's got his hands all over my body

Stay out all night, go where the music is loud,  
**D**  
So I don't have to think about it, I'm beggin' please don't play

No more! Sad songs
